

BuildGirls.org @ Kid-Museum / Women's History Month March 9, 2025

Washington, D.C., March 9, 2025 /PRNewswire/ -- buildgirls.org, a non-profit 501 C3, focused on fighting for gender equality and equity, hosted a STEM maker space event with Kid-Museum on March 9, 2025 in Bethesda, Maryland. With with a mission of educating, engaging and empowering high school girls to explore future careers in underrepresented fields – created a STEM Straw Challenge for kids to explore concepts in architecture, construction and engineering while having fun. The goal of the event was to honor and celebrate the achievements of women in the STEM and Maker communities who are shaping the future through innovation and creativity!

**Build Girls: Transforming Industries
with Gender Equality!**

10 AM - 1 PM | Maker Playground

Meet the Build Girls founders – awesome young women shaking up the world of Architecture, Construction, and Engineering! Get ready to have fun with hands-on engineering challenges and learn how the Build Girls are empowering girls to diversify these fields.

Buildgirls was honored to be participating at the museum and partnering with its leadership. Throughout the year, KID Museum highlights and celebrates communities with special events and programs including Meet a Maker opportunities, cultural traditions and heritage maker workshops, and digital activities and projects. Through partnerships with local organizations, artists, artisans, makers, and activists, Kid Museum shines a light and elevates the many extraordinary contributions of diverse communities and cultures.
