

BuildGirls.org @ Kid-Museum 2nd Annual Event

Bethesda, MD March 22, 2026 / -- buildgirls.org, a non-profit 501 C3, focused on fighting for gender equality and equity, hosted its 2nd annual STEM maker space event with Kid-Museum on March 22, 2026 in Bethesda, Maryland. With with a mission of educating, engaging and empowering high school girls to explore future careers in underrepresented fields – created a STEM Straw Challenge for kids to explore concepts in architecture, construction and engineering while having fun. The goal of the event was to honor and celebrate the achievements of women in the STEM communities who are shaping the future through innovation and creativity!

Buildgirls was honored to be participating again at the museum and partnering with its leadership team. Throughout the year, KID Museum highlights and celebrates communities with special events and programs including Meet a Maker opportunities, cultural traditions and heritage maker workshops, and digital activities and projects. Through partnerships with local organizations, artists, artisans, makers, and activists, Kid Museum shines a light and elevates the many extraordinary contributions of diverse communities and cultures.
